DIETICIAN

The Community Dieticians are based at Zetland Street Southport, they see patients following referral from the Doctor, or nurse.

HEALTH VISITORS

Our Health visitors' who are based at Formby Clinic' are trained nurses who provide information and guidance on healthcare problems and health education. They are routinely involved with the under 5's and their families.

DISTRICT NURSES

The district nurses, visit patients in their own homes who are too ill to come to the surgery. They carry out nursing care following a referral from the doctor.

PRACTICE PHARMACISTS

Mrs Jane Ayres will help and advise on any queries you may have with your medication.

MIDWIFE

A team of midwives hold an ante-natal clinic at the surgery. They visit mothers and babies during the first 10 days following delivery.

HOW TO SEE YOUR DOCTOR

Consultations are by appointment only. Appointments can be booked and cancelled on line via patient access or in person or over the telephone during surgery opening hours. Patients are allocated a named GP but may express a preference to see any doctor when making an appointment, however, should the doctor of choice not be available, you will be offered an appointment with another Doctor. You may prefer to wait to see your preferred GP but this could result in a wait of more than 24/48 hours. If you think that the problem will need extra time, please ask the receptionist for a longer appointment. Please remember to advise the surgery if you are unable to keep your appointment.

TELEPHONE CONSULTATIONS

The doctor/nurses are happy to give telephone advice to patients where appropriate. Please give your details and contact telephone number to the receptionist and the doctor/nurses will call you back.

ON_LINE CONSULTATIONS

Get help, advice or request a sick note online using 'PATCHES' our on-line consultation service.

Visit www.ainsdalevillagesurgery.nhs.uk for more information.

GP Net earnings

All GP Practices are required to declare the mean earnings for GP's working to deliver NHS services to patients at each practice.

We are not required to declare our GP earnings for 2021/22 as they were less than the earnings declaration threshold of £156,000 for this period.

HOME VISITS

Home visits are reserved for patients who are truly housebound or so incapacitated that they cannot be brought to the surgery. Visits are based on medical need. Please try to phone before 10.30am and give the receptionist an indication of what is wrong so doctor can assess the priority to give your call. Some visits may not be made until the afternoon so please tell the receptionist if you think the visit will not wait. Patients will only be visited at their registered address or at an address within the practice boundary.

REPEAT PRESCRIPTIONS

If you are on regular medication and the doctor does not need to see you, you can request a prescription on line or by calling into the surgery, complete a form or use your previous computer re-order form. By post enclosing an SAE.

You can register at reception for patient on line access to enable you to send your repeat prescription request directly to our clinical system. Prescriptions ordered before 12.30 are sent directly to your chosen pharmacy after 2.00pm the next working day.

Prescriptions requested after 12.30pm are sent to the pharmacy 2 working days after ordering.

Telephone requests are accepted from housebound patients only

TEST RESULTS

Samples can be left at the surgery every morning. Please ask at reception for a suitable container.

Containers must be labelled with your name, date of birth and date and time of the specimen. Most results/are returned electronically throughout the day. The best time to telephone for information is mid afternoon.
